

Vaccines devised to delete the god gene

Abstract

As events have unfolded since 2020, many people have suspected that the CoViD-19 pandemic is actually an operation of the globalist deep state. This is hard to dismiss when the World Economic Forum (WEF) helped to fund a “germ game” in October 2019 called Event 201, while WEF founder, Klaus Schwab co-authored a book called, CoViD-19: The Great Reset. Some researchers are calling for an investigation into Operation CoViD-19 and CoViD-1984. The conspirators involved have one thing in common they have neither moral conscience nor the least empathy. They don’t need to take the vaccine to remove the God gene from their genetics. They seem to have been born godless. They were already born with the God gene eviscerated from their genome.

Introduction

FunVax: Who’s idea of fun?

Notice how “FunVax” was the meme they sent out, considering it all good fun to surreptitiously extinguish a CoViD-19 vaccine recipient’s religious nature and innate yearning for spiritual truth. It is of paramount importance to unravel the intricacies of the FunVax delivery system. It represents the culmination of many decades of highly secretive biowarfare research waged against humankind. However, it is the CoViD-19 pandemic itself that has served as the catalyst for exposing this nefarious plot.

This is the true reason the globalist cabal is determined on mandating a universal CoViD-19 vaccination program. While being promoted as a purported cure for SARS-CoV-2, the virus causing the CoViD-19 pandemic, the real reason for the vaccine is the suppression of the vesicular monoamine transponder 2 (VMAT2_ gene, the so-called “God gene.”

DARPA dreams up mRNA gene therapy to delete ‘God Gene’

A few months ago, a very revealing presentation was made by a U.S. bioweapon scientist, who was well-versed in what has been dubbed the FunVax project. The presentation made three main points, which anyone in attendance could have easily understood:

- 1) The U.S. bioweapons program has been working on a program to devise a vaccine that is designed to “immunize” targeted individuals and whole populations against the “God gene” aka the VMAT2 gene. Suppressing the expression of this gene has been the main goal of U.S. bioweapon laboratories for half a century, ostensibly to neutralize terrorists who are motivated primarily by religious fanaticism. However, the real aim behind the operation is to inoculate people around the world against holding any spiritual beliefs or inclinations toward mystical experiences. Hence, the real purpose for FunVax appears to be the stunting of spiritual growth and experience.
- 2) The most effective way of implementing a VMAT2 vaccination program is under the guise of a vaccine designed to combat a respiratory virus, which could be secretly released on any city, nation, or region of the world without the target population’s knowledge.
- 3) The plan consists of aerosol spraying a target population, which is similar to what we are seeing with the dissemination of chemtrails over large population centers. This would effectively

circumvent the resistance of populations with a strong resistance to vaccine injections. Religious cultures are particularly prone to skepticism over the efficacy of vaccines as a communicable disease prophylaxis and even whether they are genuine vaccines.

Pandemic cover for prepping society to accept Antichrist

It appears that the CoViD-19 vaccine or FunVax is a bioweapon that has been surreptitiously released on target populations around the world through various means to justify the implementation of a vaccination program launched ostensibly to thwart the spread of CoViD-19, but with the true aim of inoculating the population against God and spirituality through concealed VMAT2-deleting inoculants. The aim of Operation CoViD-19 is to significantly reduce religious belief throughout the world, especially in countries integral to the formation of a One World Government, the Western military powers which happen to be members of NATO and G20 particularly.¹

The New World Order globalists are absolutely determined to vaccinate the Earth’s 7.8 billion inhabitants by the end of Operation CoViD-19. That’s why they’re using so many hidden technologies to deliver the VMAT2 vaccine, as they don’t want anyone now living to survive with their God gene intact.²

Amazingly, a soul-destroying vaccine was prophesied over 100 years ago by one of the great prophets of the modern age, Rudolph Steiner. Steiner warned of a sinister plot to eliminate the human soul through medicine, a prophetic claim frighteningly similar to the CoViD-19 mRNA vaccine’s design, which has been specifically crafted to delete the VMAT2 gene. Rudolf Steiner made the following prophecy seemingly related to what has transpired over the last two years:

“In the future, we will eliminate the soul with medicine.

Under the pretext of a ‘healthy point of view’, there will be a vaccine, by which the human body will be treated as soon as possible directly at birth,

- 1) So that the human being cannot develop the thought of the existence of soul and spirit. Materialistic doctors will be entrusted with the task of removing the soul of humanity. As today, people are vaccinated against this disease or that disease, so in the future, children will,

- 2) Be vaccinated with a substance that can be produced precisely in such a way that people, thanks to this vaccination, will be immune to being subjected to the “madness” of spiritual life. He would be extremely smart, but he would not develop a conscience, and that is the,
- 3) True goal of some materialistic circles. With such a vaccine, you can easily make the etheric body loose in the physical body. Once the etheric body is detached, the relationship between the universe and the etheric body would become extremely unstable, and man would become,
- 4) An automaton, for the physical body of man must be polished on this Earth by spiritual will. So, the vaccine becomes a kind of arymanique [Ahrimanic] force; man can no longer get rid of a given materialistic feeling.
- 5) He becomes materialistic of constitution and can no longer rise to the spiritual.³

Soul placed in quarantine by mRNA vaccine

Comparing Rudolf Steiner’s vision of a society “spiritually lobotomized” by vaccines with what a French energetic healer had to say on the subject after treating someone vaccinated by the CoViD-19 jab is frightening in its conceptual concordance:

I held a session with a person who had received the first and second dose of the vac. I had already treated this person energetically, but I did not know that she had taken the vac. When I started the treatment, I immediately noticed the change, very heavy energy coming from their subtle bodies. The scariest thing was when I worked on the heart chakra, I connected with her soul, so she was detached from the physical body, she had no contact and it was as if she was floating in a state of total confusion. Damage of the consciousness that loses contact with the physical part, so with our biological machine, there is no more communication between them.

During the treatment, this soul told me that it no longer felt the body and had the impression of floating in a deep malaise. The energy I was working with, the energy of their energy field, was very heavy and you could feel these substances that are very stressful for the subtle bodies.

I continued the treatment by sending light to the heart chakra, the soul of the person, but it seemed that the soul could not receive any more light, frequency or energy. It was a very powerful experience for me.

Then I understood that this substance is in fact used to detach the consciousness, so that this consciousness can no longer interact through this body that it has in life, where there is no more contact, no more frequency, no more light, no more energetic balance or spirit. Then I started to cry for that soul because it was something that touched me deeply, a very powerful experience. I didn’t say anything to the person because I didn’t know how to say it and if they would have understood.

I realized that it is not only polluting the subtle bodies or the physical body, but it is something to do with our soul. The purpose is to damage and try to destroy the contact with consciousness. What Steiner said is exactly that. It is not just about damaging the immune system.”⁴

The practitioner treating the subject had a second session with them not long after. In their professional opinion as a spiritual practitioner, a highly disturbing form of deterioration had set in, which they described in the following account:

There has been another change and again deterioration, both in the severity and in the energy that their energy field transmits, but most importantly there has been a very significant decrease in frequency. At the moment he is not showing any physical symptoms on the physical body. As for the situation manifesting on the energetic level and especially the soul, it has been confirmed that the soul has been expelled from the physical body, it is still bound by the so-called cord, but it confirms that it no longer interacts with the physical, emotional and mental body, there is no longer any kind of communication. The soul is no longer able to manage these three bodies, to continue its process of incarnation and evolution, precisely because this contact has been broken.”⁵

This concurs with a story that emerged from AstraZeneca’s CoViD-19 vaccine trials. AstraZeneca revealed details of its large coronavirus vaccine trials, the third in a wave of rare disclosures by drug companies under pressure to be more transparent about how they are testing products meant for human use. The release comes after a second vaccine test volunteer “Developed neurological problems.” According to sources who claim to be familiar with the vaccine trials, the second volunteer suddenly announced after receiving his shot, “They’ve killed God; I can’t feel God anymore my Soul is dead.”⁶

According to a spiritual teacher named Sanda Davis, who goes by the title “The Mother,” the longest an individual can survive once the soul leaves the body is a maximum of two months. There are various reasons for why a person’s soul might choose to leave the subject’s body, according to the Mother, one of these being that the actions of the person somehow seem so morally reprehensible and repugnant to the soul that it can no longer countenance being in the person’s body and so it takes flight. Obviously, in the case of the CoViD-19 vaccine recipient, the soul is being quarantined so that it cannot communicate with the physical, emotional, or mental body of the subject. If the situation persists, the soul has no recourse but to abandon the body.

CoViD-19 vaccine: the ultimate in biowarfare and psychological warfare

The global vaccination program is one of the most advanced spiritual warfare programs ever envisioned in the war against humanity. From a more scientific perspective, corrupt elements within our governments along with government agencies controlled by the Deep State, are using vaccines as the supreme weapon of spiritual and psychological warfare, targeting individuals and populations who express the God gene aka vesicular monoamine transporter 2 (VMAT2). This gene, as detailed by geneticist Dean Hamer in his book *The God Gene: How Faith is Hardwired into our Genes*, is what causes humans to have proclivities for spiritual awareness or mystical experiences. An eloquent spiritual explanation of this can be found in a podcast called *Divine Image Destroyed*, which details how mRNA vaccines are designed to subvert the divine genetic code within humankind. What follows is what the author of the podcast, Christine Beardsworth, had to say about the series of messages she believes were divinely revealed about the CoViD-19 vaccine. Ms. Beardsworth titled her podcast appropriately “Divine Image Destroyed.” Ms. Beardsworth explains that.

The visual picture that the Holy Spirit used was a wonderfully crafted palace surrounded by a high wall. This amazing edifice was guarded day and night from intruders, and only the king, and the carefully vetted attendants serving him, was allowed access. Then one day, a very destructive device was smuggled into the palace using a trusted page-boy. And the king was unaware that, right within the throne room, “The Holy Spirit has been speaking much to me about the forceful drive being perpetrated worldwide to introduce a purported medicine via a needle into every human on the planet. I have received a number of dreams giving revelation and understanding. And I feel I have to share these things in a series of posts. He started by showing me the whole scenario from God’s point of view as He watches his beautiful creation being sabotaged.”⁷

The enemy had positioned one of his henchmen. We can see the same scenario in the positioning of Haman right next to King Xerxes. Oblivious to the danger, Xerxes handed Haman his signet ring, and gave him permission to announce the death decree, an account that can be found in Esther 3:8.⁸

The human cell nucleus is that walled palace. The human cell is created with the nucleus wall to protect the scroll of DNA within, just like a wall is built around a palace to protect the rulers of a nation. These very important unique documents, our DNA scrolls, are guarded from intruders. Nothing is allowed to breach the fortification. And only trusted messengers are allowed to enter or leave the sacred place, which is like unto the Holy of Holies of the temple that is the human cell, where the DNA scroll is housed much like the Ark of the Covenant within the Holy of Holies. From within the nucleus, orders are issued by the DNA and carried by the messenger RNA through the nucleus wall to the golgi apparatus, which is a protein-making factory for strengthening and fortifying the body. No other substance can pass through that nucleus wall, except human mRNA. It is regarded as a trusted herald for carrying and delivering the messages issued by the sovereign nucleus.

A plant virologist once described mRNA or messenger RNA as being like a shopping trolley. You can load whatever you want into it and it will transport it to the intended destination, which works very efficiently when the human body is not interfered with. We have been perfectly and wonderfully made by our Creator. Messenger RNA compliantly and obediently carries the instructions issued by the unique DNA dwelling within the walled nucleus fortification.⁹

Psalm 139:14 says: “I will praise you for I am fearfully and wonderfully made. Your works are marvelous and my soul knows it very well. My burns were not hidden from you when I was made in secret and skillfully formed in the lowest parts of the Earth. Your eyes saw my unformed substance, and in your book or scroll all the days of my life were written and engraved before ever they took shape, as of yet, there were none of them.”

DNA coded with God’s name –YHWY

Were you aware that every single strand of human DNA is marked with the name of God? Here is how:

“There are sulfide bonds holding together the two strands that make up the DNA. And these bonds occur after the tenth pair of nucleotides, again after the fifth pair, and then 6 pairs later, and then again 5 pairs later. The 10th letter of the Hebrew alphabet is Yud. The 5th letter is Hay. The 6th letter is Vav. Yod Hay Vav Hay spells YHWY (because ‘V’ is also double U ‘W’ or double ‘V’). God’s name is inscribed on every living chromosome. We were made in His image and sealed

with His name. Every cell in our body is hallmarked. And it is this very divine hallmark that the enemy desires to obliterate.”¹⁰

By injecting loaded messenger RNA into cells, one can sneak fragments of foreign enemy DNA through the carefully guarded nucleus walls and incorporate their contents into the scroll of DNA in which God encoded our genetic makeup. That’s like pasting some pages of a counterfeit author’s manual into the middle of the construction blueprint of Divine origin. What is taking place is that the name of God written into the sulfide bond design of the DNA scroll is being eviscerated.

God’s name being erased from sons of Adam by Counterfeit mRNA

The Divine scroll devised by God to create man in His image is being sabotaged, and from that moment of splicing onward, instead of instructions being released from the palace to safeguard the life, health and security of the body, the inserted counterfeit DNA fills the messenger RNA trolley with instructions for the golgi apparatus protein factory in the cell outside the nucleus’s throne room, to start manufacturing enemy spike proteins. The protein factory just follows orders. Whatever orders arrive from headquarters are implemented forthwith. Once the witch’s brew or potion is injected into the body, every single throne room guarding the scrolls signed with the name of the Creator within our cells is hacked, and forced to issue instructions to manufacture weapons of death, which will not only kill us at some point, but also the people around us due to the shedding of spike proteins.¹¹

It is a cleverly engineered coup on a worldwide scale to overthrow the rulership of God over His creation. And who would you guess is behind this dastardly plot? Psalm 2:2 offers a pretty convincing explanation. The kings of the Earth assume their places on the grand chessboard of Creation and the rulers take counsel together against the Lord and against His anointed, saying, “Let us break the bands asunder and cast away their cords from us.”¹² The word for ‘band’ means bond, halter or restraint. And it is these carefully placed sulfide bonds spelling out YHWY’s name, which are disrupted and broken asunder by the vaccine contents. “The word ‘cord’ in Hebrew also means entwined, rope or thick bows. Is the DNA not entwined like a rope?”¹³ Perhaps you can now see the plan of the kings of the Earth, the global elite, who are banding together, and lining up in battle array against God. The plan is to hijack His creation, destroy His image, remove His signature, and transform the human body into a genetically modified organism that is half-human, half-computer, which is hackable and can be controlled externally. WEF has even announced that the idea that humans have a soul is outdated, and that we are nothing more than “hackable animals” who can be genetically and technologically enhanced by our technocratic masters. It sounds like a science fiction film or novel, but it is what is taking place right in front of our eyes.

Satan reviles all those made in God’s image, every “earthen vessel” designed to house the spirit, and meant to receive regular communication from God’s messengers, angels and spirits in Heaven. For eons of time, he has set about defiling the bodies and souls of men by luring them into sin of every description. However, he has been biding his time in order to undertake his greatest ambition, which is to occupy the place intended only for God in the human body, the throne room where the nucleus and DNA scrolls are housed.¹⁴

2 Thessalonians 2:4 states, “His intention is to sit as God in the temple of God, setting himself forth as if he is God.” Many are waiting for the temple to be built so that the Antichrist can go and sit in it, but the body of Christ is the Third Temple, a temple not built with hands, and the diabolical deception currently underway is the first step in the rollout of the plan to install the abomination that causes desolation right within the holy place of the Third Temple. In the holy place, the place where the unique engraved scroll of your Creator is stored in a walled citadel, the enemy has already raised his battle cry.”

How apropos the message of Psalm 74 is: 3, which states, “Direct your feet quickly to the perpetual ruins and desolations. The foe has devastated and desecrated everything in the sanctuary. In the midst of your holy place, your enemies have roared with their battle cry. They have set up their own emblems for signs of victory. They seem like men who lifted up axes on a thicket of trees to make themselves a record. And then all the carved wood of the holy place, they broke down with hatchets and hammers. They have set your sanctuary on fire. They have profaned the dwelling place of your name by casting it to the ground. Oh God, how long is your adversary to scoff and reproach. Is the enemy to blaspheme and revile your name forever? Why do you hold back your hand, even your right hand? Draw it out of your bosom and consume him and make an end of him.”

They have profaned the dwelling place of God's name

“They have profaned the dwelling place of your name.” There is no more apt description for what is being done to the human body worldwide than these words. And in every nation, believers are being coerced into taking the supposed health-inducing jab, which is like unto a poisoned sword. Is this not causing the great apostasy described in 2 Thessalonians 2:3 The totality of the scheme is to leave the Third Temple raped and pillaged, conquered and subjugated by an ancient enemy who always coveted God's throne and the worship of those created in His image. In conclusion, Beardsworth states, “Apostasia (apostasy), the Greek for ‘falling away’, means defection from truth... which means to separate, the writing of divorcement. How significant that a fragment of DNA writing is what separates or breaks asunder the record of God's name in the human DNA.”¹⁵

Now obviously the smuggling in of the death warrant to God and His Divine throne room involves deception and subterfuge. No one would allow such an intrusion if it was advertised by its true content. The coup is enacted under the guise of the delivery of a basket of wishes for health and happiness. Revelation 18 speaks of the judgement that is incurred by those who carry out this deception. As you read the selected verse, remember that the Greek word translated as ‘sorcery’ is pharmakia, the word from which we get ‘pharmacy’ or dispenser of medicine. Revelation 18:23, “For your merchants were the great ones of the Earth. For by your sorceries, all nations were deceived.” In fact, it is pharmaceutical deceptions which are employed to pull the wool over the eyes of all the nations. 2 Thessalonians 2:11 says, “A strong delusion is released so that a people believe a lie.” The Greek for ‘delusion’ comes from a root word meaning ‘deceiver’ or ‘imposter’.¹⁶

Science or pseudo-scientific Witchcraft?

Hence, the recurring theme is deception, which brings destruction. Pharmakia actually means ‘witchcraft’ and comes from a root word meaning ‘drug’ or ‘poisoner’. Poison is intended to induce the death of the victim. The word tells us that the life is in the blood. It is surely no coincidence that the foreign spike proteins that the human body is forced to produce after it is hijacked, induce the blood clots, which in turn, cause fatal heart attacks and strokes.

¹⁵Ibid.

¹⁶Ibid.

It is Satan who seeks to kill, steal and destroy. Satan desires to remove God's image and replace it with his image. Revelation 14:9 tells us that he plans to remove God's name and replace it with his name. Revelation 14:11 Ask yourself, who else could be behind the erasing of God's name in your DNA scroll. Hosea 4:6 states, “His people perish for lack of knowledge.” Many pastors and religious leaders worldwide are urging their religious followers to receive the pharmakia being offered. That is why this article was written to arm people with the knowledge they need to defend themselves.

Keep thy temple clean

Keep your temple holy and do not allow it to be desecrated. The cell is like a temple and the nucleus contained behind its wall like the Holy of Holies, where the Ark of the Covenant is housed – the Ark in the human cell being our unique DNA scroll. We should cherish the name of YHWY encoded in the scroll of life within us. We should do all we can to boost our divinely built immune system naturally. We must not allow ourselves to be deceived by the pharmakia poison masquerading as medicine we are being tempted with. We should love and seek the truth for we have been told it would set us free. 2 Thessalonians makes clear the fact that it is those who do not love truth who will fall prey to the serpent of delusion coiling itself around the globe. Do not succumb to those who promote evil and duplicitous statements and lies as the means of your salvation, while they plot to implant “the abomination that maketh desolate” within our holy place.¹⁷

Conrinthians 2:6 perhaps says it best: “What agreement does the temple of God have with idols? For you is the temple of the living God. As God has said, I will dwell in them and walk among them. And I will be their God and they shall be my people. Therefore, come out from among them and be separated says the Lord. And do not touch the unclean thing, and I will receive you, and I will be a father to you, and you shall be my sons and daughters, says the Lord Almighty.” Ms, Beardsworth makes another highly pertinent observation, when she states. “The word for “unclean thing” is akathartos, meaning foul, unclean and demonic.”¹⁸ While the government argues it is interested in neutralizing terrorists who act on their religious fanaticism, one of the more important goals of those behind the global vaccination program is to undermine all God-responsive spirituality though the deletion of the “God gene.”

CoViD-19 Pharmakia desecrates body temple

Another way vaccines and PCR tests are being used to suppress the spiritual potential of mankind is by targeting the pineal and pituitary glands. In addition to production and regulation of critical hormones within the body, these glands particularly the pineal gland serves an important role in expressing our “spiritual intuitions.” It has been found that DARPA hydrogel and lithium, both highly toxic to the pineal gland, as well as graphene oxide all contained in CoViD-19 vaccines have an effect on the pituitary and pineal glands, the latter of which has been found to have its own electromagnetic field. Aluminum and mercury, widely found in all vaccines, are also highly damaging to the pineal gland, which in turn has a detrimental effect on our spirituality as a species. There are numerous stories from around the world of how vaccines essentially cause “spiritual euthanasia.”

The hackneyed phrase is “misery loves company.” Hackneyed or not its frequent use shows there is much currency in the phrase. The Luciferian cabal would not be engaged in these machinations were it not to make us more like them. They want us to be without scruple

or conscience. They want to change our DNA so that the God gene is deleted by a vaccine intended to inoculate all humankind against spirituality or contemplation of higher spiritual realms, particularly God. What else would a Luciferian plot aim for but to inoculate a population against thinking of God in any form? The Fallen Angel has, after all, always been represented as having the sin of pride being envious of God's powers a sin for which he was cast out of heaven.

CoViD-19 gene therapy terminator gene technology

It appears that, in this showdown between the forces of good and evil, there is an attempt to entrap the sons and daughters of Adam and Eve in an endgame for the End Times, in which human generations are terminated by terminator gene technology intended to eradicate our kind from the Earth. Oh, we will go on, though probably in significantly diminished numbers, but if the globalists get their way, as a consequence of too many willing dupes and collaborators going along with their programme, we may soon be getting the VMAT2 God gene-deleting RNA vaccine. And if we do, it will be the end of us Homo sapiens. If the Luciferians get their wish, we will become homo psychopathicus, not an evolutionary advance but a devolution downgrade, degeneration into a morally retarded creature suffering from spiritually arrested development. It is a sorry fate and not one to be envied, but it is perhaps the consequence of turning away from God and relying too much on God-denying science. Conrinthians 2:6 perhaps says it best: "What agreement does the temple of God have with idols? For you is the temple of the living God. As God has said, I will dwell in them and walk among them. And I will be their God and they shall be my people. Therefore, come out from among them and be separated says the Lord. And do not touch the unclean thing, and I will receive you, and I will be a father to you, and you shall be my sons and daughters, says the Lord Almighty."

While the U.S. government argues it is interested in neutralizing terrorists who act on their religious fanaticism, one of the more important goals of those behind the global vaccination program is to thwart the spiritual evolution of mankind by stunting the expression of the "God gene." Ms. Beardsworth also alerts us to the fact that the word for "unclean thing" is akathartos, meaning foul, unclean and demonic.¹⁹ We should resist this foul, unclean pharmakia with all the will we can muster.

Result and discussion

The inquiry that led to the creation of this research paper confirms the suspicion that an exaggerated health emergency was used as a pretext to introduce an experimental gene therapy under the guise of mandatory "vaccines". The CoViD-19 mRNA vaccines pushed upon the public quite disingenuously by Moderna and Pfizer/BioNTech does not fit the traditional definition of "vaccines". They have failed as a prophylaxis against a communicable disease and do not stop CoViD-19 infection because in truth they were never meant to, as they were secretly designed for quite another purpose to inoculate the citizens of this world against God.
