

# Feeding the obese world

## Poetry

This is poem the wisdom

The way to cut the boredom

Listen get off the laity

To come live up the chefdom

To go feeding on the world

You must rely on the word

Look at the picture of own

To get relaxed in the cord

To do science with the joy

You must bring in the toy

You need be child and grown

To see how is girl a boy

Look into this discipline

Make up some of the saline

Wash out the part hazardous

Keep only that to mail in

The world we live in today

Not is the cow with the hay

Look at others be faithful

To everyone no delay<sup>1-3</sup>
