

Life is art

Poetry

The way we do lifestyle
Is just beyond optstyle
We must bring optimal
To this type of windstyle

Eating resting working, all
Belong to aim serving all
Remove solely self and own
To go up of helping all

We must look for common goals
To make horse of coming foals
For speeding towards means
We must collect burning coals

You are all thoughts no body
Towards friends come buddy
Follow poems of the day
Keep your mind of corrody

When we begin work of arts
We must become full of arts
Life is arts and we artists

We must thus learn ways of arts.¹⁻¹⁰
